

# **Report Summary**

Printed Report Title: Item Production Activity Summary

List of produced items with quantity produced variance, grouped by Item group

#### **Default Location In Orchestrated**

Base Module: Production > Production Reports > Orchestrated Reports

Reports Module: Reports > Production > Orchestrated Reports

\*These are the standard default locations. Your locations may be different.

# Typically Used by

Brewery or Distillery Managers would use this to review recent production and particularly the planned production quantity vs. the actual quantity produced.

# **Key Requirements**

Every production item should be assigned to a brand.

Each item to be listed in this report requires the Procurement Method to be set to Make within the Planning Data tab of the Item Master.
