

## Summary

You may find that you've decided to add a new packaging process to production, but when you try to add it to existing finished goods, it isn't listed in the pack type field in the Item Master Data. To do this, you'll want to open the Pack Type Table, where you'll be able to add new pack types to the list.

## Step-By-Step Guide

1. Click on **Tools** in the toolbar.
2. Scroll down to **User Defined Windows**
3. Scroll down and select **ORC\_BE\_PACK\_TYPE**

Once you've opened the Pack Type Table, at the very bottom you'll find a yellow field where you can add a new pack type and all the parameters within it.

#	Code	Name	U_ORC_BE_CNT	U_ORC_BE_NAME	U_ORC_BE_PACK_FAMILY	U_ORC_BE_UOM	U_ORC_BE_PACK_OWNER	U_ORC_BE_PkgPal...
