

Report Summary

Printed Report Title: Available to Promise / Stock Status

List of all beverage items in a chosen UOM with On Hand, Committed, On Order and Available listed for each warehouse location.

Default Location In Orchestrated

Base Module: Inventory > Inventory Reports > Orchestrated Reports

Reports Module: Reports > Inventory > Orchestrated Reports

**These are the standard default locations. Your locations may be different.*

Typically Used by

This report is popular with Sales staff as it shows uncommitted inventory available for immediate delivery. Production planners may also use it to view what items might need priority in production.

Key Requirements

No specific requirements are needed to run this report
