

Report Summary

Printed Report Title: MRP Purchase and Production Recommendations

For a selected MRP Scenario, this report will show the purchase and produce requirements listed by requirements per week.

Default Location In Orchestrated

Base Module: MRP > Orchestrated Reports

Reports Module: n/a

*These are the standard default locations. Your locations may be different.

Typically Used by

Production planners and buyers would use this on a frequent basis to order materials within lead times and schedule production on time.

Key Requirements

You must have one or more MRP scenarios created first. If you haven't set up an MRP scenario yet, take a look at our MRP Guide & Webinar content here.
