Report Summary

Printed Report Title: Tank Inventory Snapshot

Quick view of all of your tanks and what they contain. If they are not empty, the batch number and the date the batch went into the tank is displayed.

Default Location In Orchestrated

Base Module: Inventory > Inventory Reports > Orchestrated Reports

Reports Module: Reports > Inventory > Orchestrated Reports

These are the standard default locations. Your locations may be different.

Typically Used by

Production Managers and planners can use this to determine which tanks are available to schedule. Maintenance staff can see if a tank is empty to determine when maintenance can be scheduled.
